The Chairman welcomed the members of the Meeting.

The members were discussed in detail above mentioned agenda and the following decisions were taken.

GUEST LECTURE

- The Chairman requested all the members that Guest lecture should be delivered by eminent speakers which will motivate the students to go for right direction and that helps the students in gaining additional knowledge.
- Each semester, all students must attend at least two guest lectures.
- The guest lecture was interactive and focused on self development and career skills.

INDUSTRIAL VISIT

- Industrial visit is a standard process in engineering and MBA courses where students get insight into real-world problems and it typically a student's first contact with a real, operating industry.
- Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices.
- After the industrial visit, students must submit industrial visit report to the incharge faculty member.

HIGHER STUDIES

- This institution encourages students to pursue higher studies in abroad and gives advice to do clear Entrance exam to get scholarship
- The Principal requested faculty members to inform office to send this circular to all departments to make necessary arrangements.

YOGA

- It teaches the student to appreciate the ageless wisdom enshrined in the exercises and trains to keep her mind and body at peace through the ups and downs of daily life.
- The programmes ended with dedication for the students and teachers by the messages and have a positive disposition towards the whole event.

FINE-ARTS CLUB

- The fine art club is to encourage students to express their thoughts, feelings and creativity through the various visual art forms from two dimensions to three dimensions.

- To tap the inherent talents and potentials of the student community at all levels of life.
- The Fine Arts Club thus provides a channel for exhibiting the varied talents of the students. The students overcome their stage fear and develop leadership qualities and show personality development.

LITERACY CLUB:

- Literacy Club is a platform to engage college students through interesting activities and hands-on experience to sensitise them on their electoral rights and familiarize them with the electoral process of registration and voting.
- Activities and Games are designed to stimulate and motivate students provoking them to think and ask questions.
- Literacy Club members to understand the struggle of the illiterate people and the importance of education.

SCIENCE CLUB:

- Science Club is one of the better platforms for the engineering students to realize their scientific skills, knowledge and fulfill their quest in doing science activities.
- Science clubs will create students in the scientific thinking process and also to develop a scientific and rational attitude.
- Science club offers students the opportunity to engage in science-related activities that extend and enhance the science they experience in the classroom.

CULTURAL CLUB:

- Cultural club is responsible for all the cultural events in the Institute around the year. Cultural club strives to bring out the hidden talent of the students of the college. It is the place where students can showcase what they have got.
- It helps to discover their talent. Cultural events include competitions such as instrumental, singing, dance etc. Every year this club organizes activities such as Talent Hunt, Fresher's Party, Farewell, Fest and Alumni Meet.

The meeting was concluded with the vote of thanks by the Chairman.
