8. Internet facility with 12 computer systems.

9. More than 5,000 hours of Video lectures delivered by the eminent professors of IITs & IISc can be accessed through campus network in near future (NPTEL).

10. The Central Library is getting connected with the servers of IITs, IISc with the bandwidth of 5 mbps VPN Broadband. Video lectures, journals and other e-contents of the premier institutions can be accessed using the network.

11. **Eklavya Tech Channel** is a 24 hour channel dedicated to technical education and runs programmes generated at different IITs. The channel is designed to carry video courses in different disciplines generated at various IITs on weekdays and special interest programmes on Sundays. (Transmission schedule can be accessed in our Institutional Digital Repository).

12. **Institutional Digital Repository** - This includes University Question Papers, University Syllabus, Project Reports submitted by final year students since 2008, GATE previous year question papers since 1992, Proceedings of the Conferences conducted in our college and News paper clippings etc. in electronic format. These can be accessed through our library website.

13. **Resource Cell for Competitive Examinations and Higher Education** – Books for GATE, GRE, TOEFL, TNPSC, CAT and IES Examinations are available. Books for Numerical and Quantitative Aptitude, preparing for Interviews, Data Interpretation etc. are also available.

14. Budget was discussed with the faculty members.

Points Discussed:

- The HOD should give their requirement for books for the whole academic year 2019-2020 as per university regulation 2017.
- The books already available in the library in sufficient copies will not be purchased again.

- NPTEL Video-We have required video and web contents from IIT Madras and put in into the server. It has been planned develop a search engine and after installing the search engine the contents can be accessed over the campus network.
- The books already available in the library, with fewer copies ,may be purchased again for the following reasons:
 - Some books are prescribed in the syllabus for more than one department.
 - One copy of the books is kept in the reference section of the library.
 - One copy of some books is transferred to the department library.
 - The faculties handling the respective papers also borrowing books from the central library.

For the above mentioned reasons the students may not get books from the central library. Hence more copies may be purchased.

- All Department coordinators submit the softcopy of project works, subject notes and question bank.
- Faculty publications- papers published in journals and conference proceedings by our faculty members needed to be uploaded in the digital library server.
- The Library in-charges are informed to prepare the maintenance and issue register for overall books and assess services.
- They are informed to frame the one library period allocation in a week for each class in time table and were given instructions to follow
 - Allocation of different classes at same time should be avoided.
 - Maintain Silence and Discipline inside the library.
 - Regularly follow the assess procedures and services.
 - Instruct to students keep their library card safe. Then only allowed to assess the books.

Finally meeting concluded with vote of thanks.
