ABOUT THE COLLEGE

Anand Institute of Higher Technology was established in the year 2000 by “**KALASALINGAM AND ANANDAM AMMAL CHARITIES**” trust. This institution offers courses in six branches of engineering streams at the undergraduate level and M.E., MBA and MCA in the post graduate level. This institution got accreditation from **NBA** for the branches **CSE, IT, ECE, EEE, CIVIL and MECH. Also it is an ISO 9001:2000 certified institution.**

Our institution conducts various personality development and soft skill development programs for our students so that they can meet the current requirements of the industries. We work in close collaboration with industry and our institution has an excellent track record of imparting quality education along with high level of discipline.

ABOUT THE DEPARTMENT

The department of Computer science and Engineering was established in the year 2000 with a view to develop quality engineers to meet the trends in the emerging world of Automation. The department currently specializes in the areas of Object Oriented Software Engineering, networking, cloud computing, web technologies, and open source systems. As a result of our quest for excellence, the **Department is accredited by NBA, AICTE, New Delhi.**

The faculty members keep their knowledge up to date by organizing and participating in various workshops and conferences. Our primary goal is to make our students industry ready so that they can excel and contribute successfully to the development of the software industry.

ABOUT THE CONFERENCE

The Second National Conference on Emerging Trends and Intelligence Technologies (ETIT-2015) will provide an excellent forum for sharing knowledge and results in theory, methodology and applications of Artificial Intelligence and Soft Computing. The aim of the conference is to provide a platform to the researchers and practitioners from both academic as well as industry forum. Authors are solicited to contribute to the conference by submitting articles that describe significant advances in the following areas, **but are not limited to**
