

INDUSTRY INSTITUTE INTERACTION

ANAND INSTITUTE OF HIGHER TECHNOLOGY (AIHT) offers good Industry Institution Interaction that bridges academia and industry. Our institution also has a separate innovation and Entrepreneurship Development Centre. Ample opportunities are provided for sports, cultural activities, NSS and YRC. AIHT is the member of professional societies like IEEE, ISTE, ISOI, ACM, CSI, CII and TiE. In AIHT there are separate hostel facilities for boys and girls of about 3 lakhs with a capacity of 1500 members and good transport facilities to well connect with the various locations of the cities.

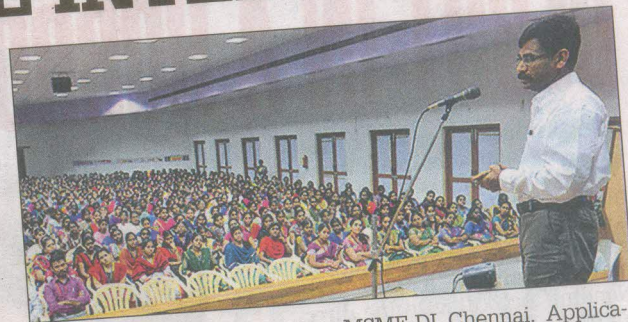

The IIC cell is engaged in curriculum development, Guest Lectures, In-Plant and Industrial Visit, exchange of human resources, value added courses, R & D activities, Placement Activities and MOU.

In AIHT, Innovation and Entrepreneurship Development Cell(IEDC) was established in the year 2012. Department of Science and Technology, NSTEDB, Government of India had sanctioned ₹40 lakhs for five years 2012-2017 for establishment of IEDC which includes funding of five innovative projects every year. The expert member team of AIHT-IEDC, Dr Venkatraman B, associate director, IGCAR, Dr E Baskaran, deputy director, Department of Commerce, government of Tamil Nadu, Charless, M D, Procon Instrumentation Pvt Ltd, helps students to carry out innovative and developing projects. The projects so far selected in the years, 2012-13, 2013-14 have been listed and successfully being carried out. Some industries are interested in the output of the above projects are carrying out for their future production.
