

## ABOUT THE COLLEGE

Anand Institute of Higher Technology was established in the year 2000 by our Founder chairman Late Kalvivallal Thiru.T.Kalasalingam, run by "KALASALINGAM AND ANANDAM AMMAL CHARITIES" trust. AIHT is located in a sprawling area of 25 acres in Kalasalingam Nagar, Rajiv Gandhi Salai, nearby Siruseri IT Park, Chennai.

This institution is approved by Government of Tamilnadu and AICTE, New Delhi. It is affiliated to Anna University, Chennai. Our College offers the following UG courses in CSE, IT, ECE, EEE, EIE, CIVIL and MECH. Our institute also offers P.G courses such as M.E in Computer Science and Engineering, Communication Engineering, VLSI, Power Electronics & Drives, Embedded system Technologies and MBA.

Our institution has received research funds from AICTE, DRDO, and DST.etc. To the tune of nearly one crore rupees and various research projects are going on at present. Our institute has been recognized as Business Incubator centre by MSME and has collaboration with various MNCs.

## ABOUT THE DEPARTMENT

The Department of Computer science and Engineering was established in the year 2000 in our college with a premier in producing excellent computer professionals through comprehensive educational programmes. The Department offers B.E (CSE) and M.E (CSE) courses. In its excellence, the Department is accredited by NBA and AICTE, New Delhi.

The Department has well equipped laboratories with more than 250 computers. Our Department has 25 well qualified staff members to train the students with more practical knowledge.

Various workshops and conferences are regularly conducted with government funds more than a lakh per year to impart the current industry needs and to provide the technical competence. Our Department has bagged more than 50 University ranks in the previous years and has a strength of 30 entrepreneurs. In every year, 85% of eligible students are placed in Top most MNC companies. The government funded research projects and students projects are carried out through to completion.

## OBJECTIVE OF THE PROGRAM

AICTE (ALL INDIA COUNCIL FOR TECHNICAL EDUCATION) has Sponsored Three Days Seminar on Opinion Mining. Opinion mining is a type of natural language processing for tracking the mood of the public about a particular product. Opinion mining, which is also called sentiment analysis, involves building a system to collect and categorize opinions about a product. The process of computationally identifying and categorizing opinions expressed in a piece of text, especially in order to determine whether the writer's attitude towards a particular topic, product, etc. is positive, negative, or neutral.

## COURSE SCHEDULE
